

Club Diversity Policy

Appreciation of diversity to ensure everyone feels safe and that they belong regardless of ability and background

Edmonton Sting is committed to fostering an environment of diversity and inclusivity. We believe that everyone should feel safe and welcome regardless of their ability and background.

We recognize that diversity strengthens our club and allows us to learn from one another. Edmonton Sting welcomes individuals from all walks of life and strives to create an environment where everyone can thrive. We are committed to ensuring that all individuals feel valued and respected.

To promote this commitment to diversity, we will:

1. Treat all individuals with dignity and respect, regardless of their ability and background.
2. Encourage and promote a culture of inclusivity and respect.
3. Foster an environment where all individuals feel safe and comfortable.
4. Create opportunities for all individuals to participate and contribute to the club.
5. Provide training and education to all members of the club to raise awareness and promote understanding of diversity and inclusivity.
6. Take action to address any instances of discrimination, harassment, or bullying.

We believe that these measures will create a safe and welcoming environment where everyone feels they belong. Edmonton Sting is committed to upholding these values and promoting diversity and inclusivity.
